## **President's Ponderings**

I hope all those who have participated in the first walks of the year have enjoyed these and not been affected by the heat. It has been wonderful to receive the recent rains and to see the bush be reinvigorated and water running in creeks and over waterfalls.

The club has received a further grant of \$2000 which will go towards costs for the upcoming Remote First Aid Course. Thank you to all members who expressed an interest in this course. Due to the high numbers interested in this the Club will investigate further First Aid Courses in the future.

The Leaders meeting has been postponed due to dates clashing with the Remote First Aid Course. I believe it would be beneficial if those members who are interested in learning more about Walk Leading could attend the Easter Camp at Gaeta where Lucinda and I would be available for informal discussions.

Happy walking!

# Walk Reports

## February 16, 2020 - Littabella NP

We had 14 turn up for the walk and this included 5 newcomers (all ladies). The access road in led us through a few waterholes but nothing to cause any worry. The walk itself was along a forest road but this road, on the lower flats became impassable. Water completely blocked any access. Walkers returned to the cars by 11.00am and after a cooling a down period, we drove to the top of Double Sloping Hummock for a lunch with views before returning home. It was a good easy half day outing - *Barry*

*Unfortunately several activities were cancelled this month due to weather so there's only the one report.*

---

## Future Walks & Outings

*Our insurance requires that walkers must be financial members of the club, unless you are a visitor (up to two walks before you need to join as a member). Please study the backpack requirements on our website before participating in a walk.*

### March 7, 2020 – Drive/walk, Moolboolaman

For those that don't like a long walk but still like a bit of adventure, Richard is leading a drive/walk. This one will travel towards Mt Perry, then travel back along Duckpond Road towards the highway. This will be on dirt roads, but you do not require 4WD. Call Richard (0429 888 552) to register. Meet at North State School at 8am.

### March 15 2020 - Cordalba - Easy S1a

Easy walk along the mountain bike trails. Walk will be 6 - 11 km depending on the weather on the day. Contact Angela by text only (0447 226 854) to register. Meet at Thabeban State School at 7am.

### March 29, 2020 - Beyond the Waterfall - Hard S3c

This is a strenuous walk off-track in Mt Walsh NP with steep sections. The creek is running so there will be water in the waterholes for a swim if you wish. It is about a 2hr drive each way and will require 4WD so car sharing may be necessary. As there is very little space to park a car, numbers will be limited to 16 for this walk. Leave from Coles Kensington at 7am. Contact Darryl (0409 796 723) to register.

### March 29, 2020 - Coongarra Rock Pools - Med - S2b

Approximately 8km walk from the Coongarra Rock car park (Mt Walsh NP) to the Rock Pool and back to the car park. The walk is on obvious tracks (mainly forestry 4wd tracks), but does have some steeper sections. 4wd/high clearance vehicles required, so please let the leader know if you require a lift or you are willing to take others. Contact Marty (0459 724 294) to register. Meet at Coles Kensington at 7am.

### March 29, 2020 - Coonarr Beach - Easy S1a

An easy but beautiful walk along the beach at Coonarr. Meet at Thabeban State School at 8am (this may change depending on tide times). Contact Ian (0418 648 312) to register.

### **March 31, 2020 - Leader's Discussion**

Yes, this is a Tuesday! ALL members/interested people welcome. This is a discussion about how to lead a walk and tips to make it easier. This discussion is a great idea for all leader, anyone considering leading a walk and even members who are not interested in leading but just want to understand how to help a leader. Please don't be scared, just by attending doesn't mean you will be pushed into leading a walk! Please RSVP to Darryl (0409 796 723). Spotted Dog Tavern, 6.30pm (you can order dinner if you wish). Please let Darryl know ASAP if you intend to come, as if there will only be 2 people there who are already experienced leaders we will cancel the event.

### **April 5, 2020 – Burrum River Kayak - Mb**

Start at Buxton and paddle up to Pacific Haven Boat Ramp for morning tea. Return. This paddle is dependent on tides, starting 2 hours before high tide. Contact Michelle (0428 957 326) to register. BYO kayak.

### **April 4 - 5, Night Walk, Mt Walsh - Hard S4d**

NPWS have recently changed their policy and camping on the top of Mt Walsh or at Waterfall Creek/Utopia Rockpools is now banned. So we have changed this event, and it will now be a walk to the top of Mt Walsh using the National Park track in the afternoon, enjoy sunset from the top of the mountain and return to the cars in the dark. You can drive home that night, or camp with us in Biggenden. Walkers MUST bring a headlamp. Call Marty (0459 724 294) to register.

### **April 7, 2020 – Monthly Meeting**

Meet at Bundaberg State High School (F Block) beside the Administration Building at 7.00pm. Park on Maryborough Street and enter through the gate beside the Administration Building.

### **April 10 - 13, 2020 - Easter Camp - Gaeta**

We will camp at Gaeta reserve. The campground has unpowered sites, a BBQ, tank water, a BBQ shelter with table, toilets but no showers. We will do a variety of walks over the weekend, depending on the interests of those in attendance. Please contact Darryl (0409 796 723) to register. If you are interested in joining us just for a day walk, you are welcome, but please contact Darryl BEFORE Good Friday (as there is no phone reception at Gaeta) to discuss so that we can try to plan a walk to suit.

### **April 17 - 19, 2020 – Overnight Walk, Deepwater NP**

This camp / walk is intended as a practice walk for those doing the Hinchinbrook Island through walk in June 2020. Anyone can come for the Deepwater walk, even if they are not doing the Hinchinbrook walk.

The plan is to drive to Red Rock (Agnes Waters) and walk down the beach past Middle Rock to Wreck Rock. Camp in Middle Rock Camp Site overnight. Walk back to Red Rock the next day, either along the beach, or along the 4WD track behind the beach. Drive home. There will be an option to camp at Workman's Beach in Agnes Waters on the Friday night, to allow an early start on Saturday morning.

If you want to camp at Wreck Rock Camping area, you will need to book a campsite asap, to avoid disappointment later on. Please also give Michelle an expression of interest before you book and also to register. Camping at workman's beach the night before the walk will not require a booking. Contact Michelle (0428 957 326) to register.

### **April 18, 2020 - Drive/Walk - Gin Gin - Baffle Creek**

Another dive a lot, walk a little activity! Travel to Gin Gin then up the Highway turning onto the Monduran Road. Pass Monduran Station homestead before turning left onto the Diamond Hill Road. This is a good dirt road and passes through sections of the Monduran State Forest,

running up and into Rosedale Township. There will be a stop for smoko somewhere along this road. Drive through to the old ferry crossing on Baffle Creed for lunch and a short walk. Meet at North State School at 8am. Contact Barry (0403 736 420) to register.

#### **April 26, 2020 - Dairy Creek Falls - Hard M4d**

This walk starts on private property and we will walk up Dairy Creek (near Mt Perry) to reach some small waterfalls and return the same way to the cars. (These are the smaller waterfalls on Dairy Creek, not the big ones on Hogsback Creek.) Whether there is any water in the creek and falls will depend on rain.

For this walk, if we have enough interest, we will trial 2 groups. One for the traditional "hard" walkers, and one for those that feel they are fit enough to manage the walk, but think they are a little slower so don't want the pressure of keeping up with the "faster" walkers. The second group may not reach the falls, but will have a great walk up the creek where there should still be small rockpools.

As this is a 1.5 hr drive each way, and a long, off-track walk, it is likely we will return to Bundaberg close to or after dark, so please plan accordingly.

Meet at North State School a 7am. Contact Lucinda (0421 011 181) to register.

#### **April 26, 2020 - Bingera NP - Easy S1a**

An easy walk along forestry 4WD tracks. Depart Coles Kensington at 8am. Contact Margot (4153 5595) to register.

#### **May 1 - 4, 2020 – Combined Camp**

The Gladstone club is hosting this year's combined camp, which will be at Pike's Crossing Camp, Akuna (near Benaraby). The combined camp is only open to members. Further details will be distributed in the coming months, but this is always a fantastic weekend so we encourage all members to attend if you can. More information will be forwarded to members when it is received from the Gladstone club.

#### **May 5, 2020 – Monthly Meeting**

Meet at Bundaberg State High School (F Block) beside the Administration Building at 7.00pm. Park on Maryborough Street and enter through the gate beside the Administration Building.

#### **May 10, 2020 – Mt Walsh to Stripey Boulder - Hard S4d**

Start by climbing Mt Walsh up the usual route, then instead of coming back the same way, we will descend off-track on the East side down to Stripey Boulder and then return to the car park. This walk is a very steep walk involving rock scrambling. Depart Coles Kensington at 7am. Contact Lucinda (0421 011 181) to register.

#### **May 10, 2020 – Easy Walk - TBC**

Contact Verlie (4152 8885) to register.

#### **May 10, 2020 – Dive/Walk - Urangan Pier Markets**

A drive to Urangan (Hervey Bay) to visit the markets, walk the pier and drop into the Plant 73 Ice Creamery. On the way home we will visit Torbanlea Plant Nursery and Bamboo Land. Depart Thabeban State School at 7.30am. Contact Richard (0429 888 552) to register.

#### **May 16, 2020 - Kayak - Baffle Creek - Lc**

Baffle Creek mouth paddle. Starting at Flat Rock, near Rules Beach, paddle downstream with the outgoing tide to the mouth of the Baffle. Disembark to explore the 4wd track at the headland and have lunch. Return paddle via the other side of the islands, stopping for a break on a grassy bank on one of the islands. Tide will be variable on the way back. This day paddle can be put on a Saturday or Sunday, but needs to start 2 hours before low tide. Paddlers must be confident to paddle on ocean tides, and wear life jacket. Paddle

will take about 4 hours on the water, with a couple of shore breaks, making it a 6 hour trip, not counting travel. Not a trip for beginners. BYO kayak.

There will be an option to camp the night before and after, at Deepwater National Park, Wreck Rock Camp Ground, to facilitate an early start, if needed. If so, you will need to book a campsite ASAP to avoid disappointment later on. Contact Michelle (0428 957 326) to register, and please also call to let her know you are interested before you book a campsite.

### **May 24, 2020 – Giant's Staircase - Very Hard S4e**

This is probably the hardest walk that our club does. It is a full day walk at the back of Mt Walsh NP. We will walk along the creek, which involves over an hour of rock hopping and scrambling through the scrub. Then there is a steep climb and scramble up the "staircase" with some great views up high. We will then cross the saddle and climb even further up a steep incline to the "Giant's Playground", before descending back to the creek and returning to the cars. Last year we had a LOT of interest in this walk, so the walk this year is only for club members and as we will limit numbers, preference will be given to walkers who have already completed a hard walk with the club. This is for fit walkers only, as the walk is about 6 hours, and because of the 1.5 hour drive each way, we will get back to Bundaberg after dark. You must bring at least 3 litres of water. Meet at Coles Kensington at 7am. Contact Lucinda (0421 011 181) to register.

### **May 24, 2020 – Dingo Track - Medium S2b**

This off track walk in Goodnight Scrub starts along the road, then veers off down a hill and along a valley before returning to the road. Approx 8km. There is an option for a swim at Booyal Crossing after the walk. Meet at North State School at 7am. Contact Michelle (0428 957 326) to register.

### **May 31, 2020 – Planning Meeting**

Join us for the planning meeting to plan the walks schedule for the first half of the year. All members are welcome. Please bring any ideas you have for walks or activities, and if you can't make it, feel free to let another member know your ideas. Particularly if you are happy to lead a walk. BYO food and ideas.

### **June 2, 2020 – Monthly Meeting**

Meet at Bundaberg State High School (F Block) beside the Administration Building at 7.00pm. Park on Maryborough Street and enter through the gate beside the Administration Building.

### **June 7, 2020 – Easy Walk -TBC**

Contact Verlie (4152 8885) to register.

### **June 7, 2020 – Hard Walk -TBC**

### **June 21, 2020 – Boolbunda Rock - Hard S4d**

This is a hard walk near Mt Perry. We start by walking along a creek, then climb steeply through open scrub. We then drop down into the saddle before a really steep climb to the first lookout. A nice walk along the ridge before we reach the rocky scree, which we then scramble over (with very steep sides) to reach the top of the rock where there are fantastic 360 degree views. We return the same way to the cars. This is a very steep, off-track walk of about 5 hours so this is for fit walkers only. Due to the drive, we will get back to Bundaberg after dark. Meet at North State School at 7am. Contact Lucinda (0421 011 181) to register.

### **June 21, 2020 – Boolboonda Tunnel to the Cattle Yards - Easy M1a**

A walk along the dirt road from the tunnel through to the cattle yards. Meet at North State School at 7am. Contact Verlie (4152 8885) to register.

### **June 14 - 19, 2020 - Thorsborne Trail, Hinchinbrook Is**

There are now 6 people confirmed for this trip, which is the maximum allowed for a booking by National Parks. However, if anyone would like to join in the rest of the trip around the Wet Tropics (details to be finalised), please contact Mary on 0414 190 566 or Michelle on 0428 957 326.

### **September 21, 2020 – Maryborough Open House**

Details to come. Open House program is where houses and public buildings are open to the public for the day, so this would be a day trip to Maryborough to look at the beautiful old buildings.

### **October 3 - 5, 2020 - Gympie Rattler**

A tentative plan to spend the long weekend in Gympie to camp, do some walks, and go on the Gympie Rattler. Details to come.

### **2021 - New Zealand Trip**

Mary and Michelle are planning a trip to the Abel Tasman National Park (northern coast of the south island) to walk and kaya, most likely in February/March 2021.

Plans will probably include The Abel Tasman Coast Track: Travel 60km along the coast of the Abel Tasman National Park to see most of those pristine golden sand beaches. The 3-5 days Great Walk track has a number of huts and campsites as accommodation along the way (as well as a couple of luxury lodges).

Also: kayaking in the Tonga Island Marine Reserve. Get more intimate with the Abel Tasman coastline and have some close encounters with the wildlife. You have plenty of options when it comes to kayaking in Abel Tasman, including self-guided multi-day hires, guided day tours, and even a mix of kayaking and hiking in day tours. Please contact Mary or Michelle to discuss if you are interested in joining.

### **2020 Annual Photo Competition Rules**

Photos must be taken during the current year and on club walks or outings.

# General Information

Current Fees (membership fees due 1 July each year):

- Membership fees - Adult - \$20 per adult
- Membership fees - Child (under 18) - \$10 (for one or more children from the same family)
- Walk Fees - free for members, \$5 per visitor

Visitors attending a walk are temporary members for the walk, upon signing the acknowledgement of risk and obligations until the walk outing is completed. We recommend a minimum of one walk be completed before you apply for membership. Membership application is mandatory before participation in your third walk.

Please do not send cash through the mail. You can pay your membership fees at the monthly meeting, or by EFT BSB064-403, account no 00915879 quoting your surname as reference. A receipt will be emailed to you by the Treasurer.

All persons take part in outings on the understanding that they do so entirely at their own risk. They agree that the responsibility which they take for their own safety, is the same that they would apply if they were on their own organised outing.

Those intending to participate on outings are asked to contact the nominated walk leader prior to the walk. This particularly applies to newcomers to club outings. Comfortable walking shoes/boots and suitable clothing should be worn on all outings. A suitable day pack should also be carried (see our website for suggested pack contents).

On day walks, car loads are generally arranged at the nominated departure point with passengers contributing to fuel costs. Suggested basic contributions for passengers are:

**10-20 kms \$5/person, 20-50km \$8/person, 50/100km \$10/person  
100-200km \$15/person, 200-250km \$20/person, 250-300km \$25/person**

## **Contact Code: A few reminders for all walkers**

- Please contact walk leaders a least one week before a walk. If you leave it till Thursday or Friday night you may be disappointed to find that the walk has been cancelled, due to apparent lack of interest. Also dates, details etc can & do change. Leaders give their time to organise walks and need to know if they are committed to lead a walk.
- Arrive at the meeting point 10 minutes before the set time. Our times are departure times and we try to be punctual. Late walkers can be left behind!
- Read the walk description and note the rating. If you are unsure of your abilities, please discuss this with the leader before nominating. Neither you nor other walkers will have a good day if your fitness is not of a suitable standard.
- Do you have a health problem that may affect your performance on a walk? It is important that you inform the leader of this and discuss the matter.
- If you have commitments after a walk please discuss this with the leader before commencing a walk. Leaders cannot guarantee the time of return, due to weather, terrain & the expertise of walkers.

**Walk Recce Costs** - just a reminder to anyone carrying out recce's for walks. Funds are available to cover expenses (fuel etc). Please submit a claim (mileage travelled) to the treasurer.

**First Aid** - to encourage more members to become First Aid proficient, the Club will pay a 50% fee subsidy to those members who attend and complete a recognised First Aid or CPR course.
